

**Bexar County
Emergency Services District No. 2
Workshop Minutes
February 8, 2010
2:00 P.M.**

Bexar County Emergency Services District No. 2 conducted a workshop at the Bexar County Fire Marshal's Office located at 622 Dolorosa, San Antonio, Texas 78207, Monday, February 8, 2010 at 2:00 P.M.

- 1. Commissioner Panter and the other four Commissioners met with the Bexar County Fire Marshal. With all five District Board members present, a quorum was established.**
- 2. Discussion with members of the GVVFD Board on the contract and issues between the District and GVVFD. The five members spoke with the Bexar County Fire Marshal about the issues that they have with the Geronimo Volunteer Fire Department. Some of the issues were the slow response time that the District members feel has only gotten worse since the new station opened, refusing to sign a contract and getting volunteers more involved in the day-to-day operations. The Fire Marshal did let the District know that he had no authority over the ESD and could only request that they meet with GVVFD to attempt to work out a resolution to the problems. The District was willing to have Commissioner Panter meet with the President of GVVFD at the Fire Marshal's office in an attempt to work things out.**
- 3. Adjourn. The workshop was adjourned at approximately 4:17 P.M.**
